## concentric circles of belief

## loving those with differing convictions

- ✓ Determine to not cause another believer to \_\_\_\_\_.
- ✓ Make sure your positions do not \_\_\_\_\_.
- ✓ \_\_\_\_\_ to maintain healthy relationships.

- Pursue \_\_\_\_\_
- \_\_\_\_\_ others up
- \_\_\_\_\_ for unity

If a person is misunderstanding the gospel because of a conviction, we should \_\_\_\_\_. In all other situations, \_\_\_\_\_ to a weaker brother is our position.

- ✓ Realize that matters of conviction can \_\_\_\_\_.  
\_\_\_\_\_ is NOT a matter of personal opinion.

Christian liberty is not a license for \_\_\_\_\_  
– it is the result of holding to \_\_\_\_\_.

## Today's Takeaways

- ① \_\_\_\_\_ is not obtained by behavior, but by faith in Christ.
- ② Faith in Christ should affect all of our \_\_\_\_\_ and our \_\_\_\_\_.
- ③ A believers' choices can \_\_\_\_\_ either directly or indirectly.
- ④ Mature believers make \_\_\_\_\_ to help those who are not as mature in their faith.
